

Focus Group

PARTICIPANTS NEEDED

**Are you a parent or caregiver of children
with nutrition and growth concerns?**

**We need you! We will be discussing finding
nutrition information and services for your child.**

The Washington State Department of Health (DOH) is seeking information from parents and caregivers of children with nutrition and growth concerns including where they go for help, how easy was it to get the help they needed, and what improvements (if any) could be made to get their concerns met.

We will be conducting a series of focus groups (8 to 12 participants per group). It is estimated that the discussions will last 1 hour and consist of 10 to 15 questions. Answers and comments will be anonymous.

As a thank you for your time and participation, we will provide a stipend. For childcare please contact Stacy at 509-574-3255. Limited child care is available. Please pre-register.

If interested in participating please RSVP with Gloria Urness, Parent to Parent, at (509) 574-3257 or gloriaurness@yvmh.org

Located at: Children's Village, 3801 Kern Road Yakima, WA 98902
